Principal’s Message

We have definitely enjoyed celebrating the 60th anniversary of Aden Bowman this year and we are all ready to finish the school year in a strong way.

Aden Bowman has been proud to host a number of events recently. We hosted 5 shows of the Indigenous Ensembles’ performance of Otacimow. Over 1500 people had the opportunity to enjoy this amazing showcase of First Nations dance, singing and drumming. All dancers were from Saskatoon Public Schools and were spectacular on stage. Parent/Teacher Conferences were once again well attended in March and provided a valuable opportunity for teachers to communicate with parents with respect to student progress. Neal Kushwaha, class of ’92, visited our school from his home in Ottawa in April. Neal shared his experience of climbing Mt. Everest and the incredible story of saving a climber’s life on the way to the top. Neal spent time in two Law 30 classes, and also was a guest on the Collective Voice live radio show that night. Neal is truly an inspiring person who left students and staff with a powerful message to set and go after your goals.

Bowman students have been hitting the road in the past month. Our Sr. Band travelled to Winnipeg for 3 days, Collective Voice students recently returned from their trip to Toronto, and the grade 10 band was in Calgary. All trips included amazing experiences that included local culture, museums, zoos, live performances, and I am sure a little shopping. These trips are wonderful learning experiences in so many ways. Huge thank you to our staff for organizing and taking time to make the trips possible. I am always proud to hear how well our students represent Bowman while away.

In Athletics, it was great to see over 60 badminton athletes competing at the junior and senior levels. Badminton was another example of how our athletes, teams, and coaches show the highest level of sportsmanship. Good luck to our golf and track and field competitors and coaches as they start their respective seasons.

In the “looking forward to” category in the Fine Arts area is the upcoming performances of Once Upon a Pandora’s Box. Performances run from May 22-24 with two afternoon shows planned for our area schools, and evening performances for the general public at 7:00 p.m. Please come support our talented young performers.

Finally, I want to wish all of our International Baccalaureate students well as they prepare and write their final exams in the next two weeks. Have a great May everyone!!

On behalf of the Aden Bowman staff,

Paul Humbert
Principal

Transcripts for Post-Secondary Admissions

Grade 12 students who have applied and have been conditionally accepted to post-secondary education must make a request to the Ministry of Education, if you have not already done so, to submit the final transcript to the receiving institution.

High schools are not responsible for submitting a graduate’s July transcript to post-secondary schools. The final transcript is the official diploma that confers graduation standing. You can request a final transcript to be sent to your chosen post-secondary school by applying online to the Ministry of Education using the request for transcript available on the government website:
http://www.k12.gov.sk.ca/etranscript/requiredinformation.jsp

- You will need your Saskatchewan Education (9 digit) Student Number located on your unofficial transcript or request from your school counsellor.
- VISA, Visa debit or Master Card. Transcript requests are only available using these payment methods.

**This request form can be completed any time before graduation.**

This website is also accessible through the parent/student portal under Counselor’s Corner.
**STUDENT FEES**
