

CHECKLIST FOR GRADE 11 STUDENTS

Registering for Grade 12

1. **ELA30 & ELB30**

Students need two English classes. Creative Writing is an elective.

2. **HISTORY 30 or INDIGENOUS STUDIES 30**

Students must have either History 30 or Indigenous Studies 30 to meet graduation requirements.

3. **NINE CLASSES**

Students registering in Grade 12 are encouraged to take a minimum of nine classes.

4. **24 CREDITS**

Students need 24 credits to graduate. Five of these credits need to be at the 30 level including the three compulsory 30 level credits.

5. **MATH**

Students must have at least one Math at the 20 level to graduate. A 30 level math may be required for some post-secondary education programs. Check with post-secondary education admission resources for more information on math prerequisites.

6. **SCIENCE**

Students must have at least one Science at the 20 level to graduate. Many post-secondary programs require a combination of Biology, Chemistry and Physics at the 30 level. Check with post-secondary education admission resources for more information on science prerequisites.

7. **ARTS ED or PAA**

Students need to have two Arts Education OR Practical & Applied Arts at either the 10, 20 or 30 level to meet graduation requirements.

8. **COMPULSORY / MODIFIED COURSES**

All regular level compulsory subjects for grade 12 will end in '30' for example 'History 30'. Modified courses will end in '31', for example history would be 'History 31'. Modified courses should only be selected in consultation with current subject teacher and counsellor.

9. **ONLINE COURSES**

Students choosing an online course must meet with a counsellor and complete an application form. This form requires both a parent and counsellor's signature. An online course would be one of the nine courses listed. Information about online learning and course offerings are located at Online Learning Centre's website <http://olc.spsd.sk.ca/>.
