Thank-you for your interest in the Golden Rule KinderCare Program.

Greystone Heights school currently offers half day, every day kindergarten. Kindercare is intended for families at Greystone Heights school with a child enrolled in kindergarten as another option for child care. Kindercare is offered for the duration of the half day kindergarten day. KinderCare will be available as follows:

For morning kindergarten students - to the end of the school day; until 3:00 pm; we pick students up from their class when the lunchbell rings; currently 11:45

If you require care before 8:45 am or past 3:00 pm you have the option of using Golden Rule Before & After School Program. This program starts at 7:15 and runs until the first bell and also starts again after school at 3:00, and runs until 6pm. This program is charged on an hourly basis. Registration for this part of our program will be sent out at prior to school starting and can be used on a part time, full time or drop in basis. The charge for this program is \$4.50 per hour and billed at the end of each month for time used.

Start Date

KinderCare will begin on the first regular day of Kindergarten. Holidays & school closures will follow the Saskatoon Public School's calendar. When there is no kindergarten, there is no KinderCare. Optional to use the full day before and after school program on system wide PD days.

Registration

Golden Rule requires a non-refundable registration fee of \$50.00 (dated the 1st day of August, 2021) to accompany your application forms, along with postdated cheques for the entire school year for the months of September through June and dated for the first day of each month. These cheques must be received before your space is ensured. This means we are receiving a \$50 registration cheque (or cash if that is preferred), as well as cheques post dated for the first of each month for September to June for \$175.00 or \$225.00 per month, depending which option you choose.

(Please keep information for your records and only return the application portion)

The fee structure is as follows:

KinderCare Only

- \$175.00 per month for 3 or less days per week which will include lunch supervision
- \$225.00 for 4 or 5 days per week which will include lunch supervision

*Cheques must be dated for the 1st of each month (September to June). You may also pay one lump sum for the year if you prefer. Make cheques payable to **Golden Rule Preschool**. (We will hold your spot for 10 days from the date you receive your application, so please return promptly). There will be a \$25.00 charge for any cheques returned NSF. This fee will be required to be paid by the end of the month for the cheque was written. If a second NSF cheque takes place, all fees will be required to be paid in cash for the remainder of the school year.*

Please forward your application to Golden Rule Preschool & Extended Day Program, c/o Laura Orenchuk, 238 Sylvian Way, Saskatoon, Saskatchewan, S7H 5G2 or leave it with the front office of the school.

Age Requirement

Your child must be enrolled in an AM kindergarten class at Greystone Heights School to qualify for KinderCare. Enrollment in kindergarten is at the discretion of the school.

Lunch Supervision

The kindergarten students will be supervised over the lunch hour. Lunch hour supervision is included as part of the monthly fee.

As with all Greystone Heights students, staying for lunch is a privilege and not a right and this service can be dismissed at any time. All parents are provided with a copy of the lunchroom guidelines at the start of the school year.

Your child must be attending KinderCare on a specific day in order for them to stay for lunch on that day. Otherwise they must be picked up at the dismissal of a.m. kindergarten at 11:45.

Insurance

Golden Rule Preschool & Extended Day Care carries insurance covering only the children enrolled in our program.

Withdrawing your child from KinderCare

We must be given one month's notice in writing of the withdrawal of your child. The full tuition for the one month must be paid even if you withdraw your child prior to completing the month. Golden Rule Preschool reserves the right to terminate KinderCare services at our own discretion should things not work out between your family and the KinderCare Program. See below.

Termination

Golden Rule Preschool and KinderCare Program reserves the right of terminating the contract if:

- we are unable to meet the needs of the child/children to be determined on a per child basis
- Excessive late pick-up.
- More than three checks are returned from the bank.

Communication

We will communicate with all registered families primarily via email, text or the remind App. Please be sure to add our email address, goldenrulesaskatoon@gmail.com to your address book so you receive all notices from us. You will also receive updates regarding school common dismissal days, special dates, etc from your child's kindergarten teacher as well as through the school newsletter.

Excursions

We will be going on trips regularly throughout the school year. The children will walk, travel by city transit or school bus. You will be notified of all excursions in advance. We try to ask for a minimum of one parent volunteer to accompany us on our trips outside of the school.
