## Howard Coad School's Multicultural Evening

Our School, Our World

Friday, May 4  
5:30 - 8:00 pm

Join us for a fun and festive evening, celebrating our school's amazing culture-filled community and getting to know your neighbours.

### What to bring:

- A dish that represents your family's heritage with enough to feed your family plus a few more. We will provide separate areas for Halal and vegetarian food.
- Label your dishes & serving spoon.
- Bring your own plates and cutlery to reduce waste.
- Dress in your regalia or cultural clothing.

## Family Artifacts

As part of our culture night, we would like to share a piece of our families with one another. We are inviting students to bring an item that has meaning to their family. This item may be anything that a family feels is important to them, whether it is cultural, personal, or a family heirloom. Items may be a favourite stuffed animal of a child, a family recipe, clothing, or knickknacks from their home country. Students/families may also choose to create something that is representative of their family.

Students and/or families are invited to bring the item to share with their class, and then leave with the classroom teacher to be included in a display for the night of May 4.

The artifacts will stay on display until June and will be available for pick up from your child's classroom teacher or office if it is especially delicate or valuable.

Please contact Nikki Cameron ([cameronn@spsd.sk.ca](mailto:cameronn@spsd.sk.ca)) or Shannon de Bakker (HCS-Engage1@spsd.sk.ca) with questions.

## Fashion Show

We are encouraging everyone to dress in their regalia or cultural clothing for the evening. We will be having a fashion show during the evening's program and if you or your child(ren) would like to participate, let Mrs. Armstrong know and she will add your name to the list. You can stop by the EAL room or email her at [ArmstrongC@spsd.sk.ca](mailto:ArmstrongC@spsd.sk.ca).

## Volunteers

Many hands make work light! We need volunteers to help with the following:

- Set up & decorating on Thursday, May 3 after school.
- Potluck server
- Kitchen clean up
- Gym clean up

Let the school office know or talk to your classroom teacher and they will pass your name on to the event planning committee.
