

What Makes Us Unique?

Key to our success is our close working relationship with Saskatoon Public Schools, the largest school division in the province. Saskatoon Public Schools currently operates 49 elementary schools, 10 secondary schools, two associate schools and one affiliate school with a team of 2,500 professional support staff serving 25,000 students. This partnership facilitates unparalleled and consistent engagement with our group and access to some of the best resources and most talented educators in the province.

Our structure as an independent charity allows us to be flexible, adaptive and able to take advantage of opportunities not readily available to large public institutions. The coupling of these unique features results in high-impact, quality programming and a reputation for excellence among the division staff who welcome us into their schools and classrooms.

Support Learning Through the Saskatoon Public Schools Foundation

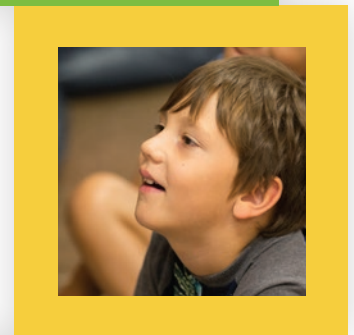

Saskatoon Public Schools Foundation programs and initiatives are supported entirely by donors who believe in the power of education and give generously to enhance learning opportunities for young people.

There are many ways to support learning through the Saskatoon Public Schools Foundation:

- Sponsorship opportunities for Summer Reading Camps, Early Learner Tutor Program, Programs of Excellence Grants, capital projects and more
- Financial contributions by cheque or online
- Gifts in kind of goods, services and volunteering
- Transfers of securities, such as stocks and bonds
- Special events and fundraisers
- Payroll deductions
- Charitable bequests and legacy gifts
- Donations made in celebration, in-lieu or in tribute

We partner with committed businesses, organizations and individuals to bring school communities together and support initiatives that go above and beyond Saskatoon Public Schools' regular mandate and operations.

SASKATOON PUBLIC SCHOOLS FOUNDATION SUPPORTS INITIATIVES IN THREE KEY AREAS:

Literacy *Essential skills that help us understand, belong and contribute to our communities*

Healthy Active Schools *Learning environments that promote physical activity and wellness*

Empowering Innovation *Accelerating creativity and inspiring new opportunities for learning*

OUR PROGRAMS AND INITIATIVES INCLUDE:

- The **Early Learner Tutor Program** pairs struggling young readers in grades one to three with an experienced tutor for twenty hours of intensive one-to-one reading support to help children progress toward grade level reading.
- **Summer Reading Camp** is a two week program designed to engage young learners and prevent learning loss over the summer months. Each summer over 200 children take part in a camp at one of fourteen sites across Saskatoon Public Schools.
- The **Nutrien Food4Thought Nutrition Program** provides nearly 760,000 nutritious meals and snacks each year to students from nineteen schools, providing the nutrition needed to be successful in the classroom.
- Annual grants to schools to support innovative, high-impact initiatives that enhance the curriculum.
- SPS Foundation capital projects include the **Cameco Centre of Excellence in Science and Mathematics**, a state-of-the-art facility in Bedford Road Collegiate for students interested in careers in science, technology, engineering and mathematics, and the **Nutrien Eco-Science and Indigenous Learning Centre** at Brightwater, where thousands of students visit each year to take part in experiential, land-based learning and Indigenous Knowledge programming.

Saskatoon Public Schools Foundation connects families, schools, and communities together to meet the shared goal of enhancing education for Saskatoon Public Schools students.
