

Supply List for 2023-24 S.A.G.E. Program

Labelling your children's materials/belongings is encouraged. Please reuse old school supplies where possible. We encourage you to consider choosing sustainably made and/or Canadian-made products.

*Items with an asterisk indicate a material that is often *used up* during the school year. Students are expected to have a 1-2 of these available to use at any given time, but large excesses of these items (i.e. pencils, pens, erasers, etc.) are distracting, and lead to inefficient use of these school materials. Extras can be kept at home until needed or sent to school to be stored by your child's teacher until needed.

Supplies	✓	Grade 5/6	Grade 7/8
