Attendance

Punctuality and regular attendance are very important for successful learning and establishment of good habits. If your child is going to be late or absent from school, please use Edsby to indicate your student's absence, date/time and the reason. Please report attendance prior to 9:00am/12:40pm.

As a safety precaution, you will receive automated phone calls or emails if we do not receive notification about your child's absence.

Communication

School news and important dates are regularly communicated to families via Edsby and email. Please be sure email addresses we have on file are kept up-to-date to avoid missing any important information.

Did you know?

John Lake School was originally built with 8 classes and gymnasium in 1958 with the establishment of the Avalon Community, with the south facing wing being added just the next year. The official opening ceremonies were held on February 16, 1960.
