**Kindergarten to Grade 6** Supply Fees are only paid **once** for the year, not monthly.

**\*\*Grade 7 and 8** students are responsible for purchasing **ALL** their own supplies.  
The school will not be providing supplies for these grades.

The chart below is the amount owing depending on the month the child starts attending Sylvia Fedoruk.

*For example, if your child is in Grade 1 and started attending Sylvia Fedoruk in September or October, their one-time fee would be \$60.*

*If your child is in Grade 1 and started attending in January, their one-time fee would be \$46.*

**\*If you are transferring from another Saskatoon Public School, please bring all your supplies with you.**

If you do not bring any supplies with you, the full charges below will apply.

Updated June 2023

Gr. 7-8	<i>Parents purchase supplies for grades 7 &amp; 8</i>									

## NOON HOUR SUPERVISION FEE

It costs 1.3 million dollars each year to provide supervision for students during the noon hour in Saskatoon Public Schools. We hope the following points provide clarification for you and your family:

- The noon hour supervision fee will be charged for prekindergarten to grade 8 students from September through June (10 months) at all division elementary schools.
- **The fee is \$10/month per student (\$100 per year). This works out to 50 cents/day.**
- The fee for half-day kindergarten students who stay over lunch IS \$5/month per student (\$50 per year).
- The maximum per family is \$200 per year.
- Families may choose the payment schedule that works for them i.e.: monthly, bi-monthly, a one-time payment for the year, etc.
- The fee will be collected for bused and non-bused students.
- The fee will not change for students regardless of how many days they stay for lunch per week. We hope that families will see this as a valuable service and support the program accordingly.
- As with other school activities, cost will not be a barrier to students needing to stay for lunch. We trust that families will reach out to the administrative team at the school if cost is a barrier. These conversations will remain confidential.
- Payments will be available through School Cash, the online payment program used across the school division. If a family cannot pay through School Cash and must pay in person, administrative assistants will provide a printed receipt.
- Receipts provided to families may be used for claiming childcare costs when filing income taxes.
- School staff will not be reminding individual families to pay their fees. General notifications will go out at the start of the year and through School Cash, and there may be general reminders in school newsletters throughout the year.
- **This fee pays for supervisors. It does not include the cost of food nor hot lunches purchased through Healthy Hunger. Students must bring their own lunch.**
- Additional details about noon hour supervision fees will be provided to families as new or additional information becomes available.
