

MURRAY MOMENTS

PRINCIPAL'S MESSAGE

I hope everyone enjoyed a restful and relaxing Family Day and February break. As we move through Semester 2, our first caregiver/student conferences will be on Friday, March 8 in the afternoon and will be set up by our teachers. If you ever have questions or concerns, please feel free to reach out to our teachers through Edsby, email, or phone.

It is also at this time of year where we thank the many teachers, coaches, and volunteers who give up so much of their time to provide students with extra-curricular activities that support students' interests outside of the classroom. With so many opportunities at Walter Murray, please encourage your child to get involved and embrace the whole school experience.

Our school hosted the 39th annual MIT (Marauder Invitational Tournament) from February 1 to 3. I want to thank the organizing committee, the staff, and student volunteers for hosting an extremely successful tournament. For the first time since 1986, both of our Senior Girls' and Senior Boys' Basketball teams won their respective divisions. Without our staff and student volunteers, this basketball tournament would not be possible.

Our next School Community Council meeting will be on Tuesday, March 12 at 7:00 p.m. in the school library. There is always a standing invitation to join and learn more about what is happening at Walter Murray.

Yours in education,

Kevin McNarland

Staff Appreciation Week

On behalf of the School Community Council, we wanted to extend a huge thank you to all the efforts that staff put in teaching and supporting our kids. From the teachers, coaches, administration, cafeteria, library, EAs, office staff, councillors, caretakers, RAP workers, and other staff, we are well aware that you go above and beyond duty many times with little or no recognition. Many times the teaching and education that kids get isn't always in the classroom. We appreciate all the extra-curricular activities, trips, and clubs that you help run along with your teaching duties. Thank you so much!!

On behalf of the staff, long john donuts were enjoyed by all! Thank you!

On February 28 Walter Murray students and staff wore pink clothing and stickers, and enjoyed pink lollipops to bring awareness and to celebrate Pink Shirt day.

Once supplies are depleted, masks will no longer be provided at the school.

Bullying is a major problem in our schools, workplaces, homes, and over the internet. We have a Restorative Action Worker, Ms. Catherine Feraro, who helps deal with issues such as these. She can be found in Room 200, next door to the Culture Room.

39th Annual MIT Basketball February 1 to 3

Thanks so much to over 100 staff and student volunteers who worked so hard to make this tournament a huge success. Individual recognition goes out to tournament all stars Ryan Deutscher, Zach Hawley, Sophie Larsen and Dillyn Morin who were named tournament MVP's.

Coach Mr. Hawley submitted the following summary of the final boys' game.

The Senior Boys' basketball team defeated the #1 ranked team out of Manitoba, the Vincent Massey Trojans, to capture the MIT championship for the second year in a row. The Marauders dominated early, racing out to a 24-point half time lead. Vincent Massey refused to give up, however, and proved to be a resilient and determined opponent. Massey battled back in

the second half, closing the gap to single digits before the Marauders snuffed out the comeback bid and vanquished the Trojans by a final score of 94-84. Tournament MVP Dillyn Morin was a dominant force all weekend, with tournament All-Star Zach Hawley delivering a monster performance in the final. The team looks forward to building on an outstanding tournament as they head toward the playoffs.

This is the first time since 1971 that two Saskatoon teams played in the final at BRIT. Adding to their team accomplishments, we congratulate our Senior Boys' basketball team for also winning BRIT! We are so proud!

Green Boys' Basketball

We finished our season with a heartbreaking loss in the City Championship game. While our eyes were firmly set on the top, second place is no small achievement. It speaks of hard work in every game and practice, the unity developed among the players, and the love for the game. To the players, you wore our school jersey with pride, leaving everything on the court. Here's to a season well played. Congrats on a very successful season and to what the future in the game holds for you.

Mr. Craig

Wrestling

DANCE SHOWCASE IN AUDITORIUM

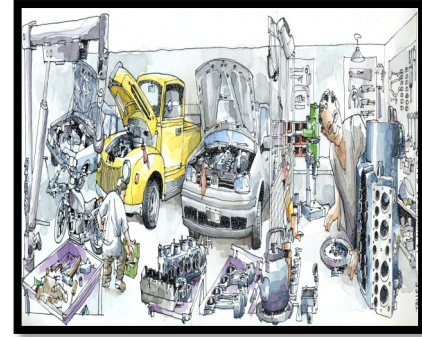

Ms. Hodgins was proud to report that on January 18, 2024 "Our Dance 10/20/30 class performed their dance showcase that included pieces that they had worked on all semester". It covered a lot of different styles ranging from hip hop to contemporary to Chinese to Scottish/Ukrainian. It was a blast and the students loved to see all who turned out in the audience.

Mechanics Class – Book Your Vehicle In

Auto mechanics is centered around students learning the fundamentals of mechanics in a shop setting. We are working on a variety of projects from partial restorations to brake replacements. Student vehicles take priority as our main source of repair, and if you have a child attending our school who needs a repair done, please feel free to contact me. We may also be able to take on other repair work, but note that education is our main priority and the speed at which repairs are completed takes a secondary role to learning.

Thank you

In School Driver Education

A session of Driver Education lasts for six weeks during lunch hour. Once you are invited from Student Services to attend the class, a letter will be given to you explaining the process. Please follow these instructions carefully! Attendance is mandatory and no more than 3 classes can be missed. Students are responsible for all missed school work. If you are removed from a driver ed class, you cannot retake it again through Saskatoon Public Schools. To become class ready you will need two pieces of government issued ID to obtain a Customer Number from SGI and a working email. If you are planning on taking Driver Education, do this ahead of time.

“Please note”: You must have an SGI Customer Number to sign up for the class!

**Driver's
Education**

The next driver ed class starts on March 11. Names of students invited will be posted outside the office. Please see Student Services as soon as possible to confirm your spot. If you have already taken Driver Education, please let them know ASAP so someone else can be put in your place.

Everyone who has walked down the long hallway across from the drafting lab has seen an amazing sight of “Wall of Fame” pictures. Every year of Walter Murray’s existence as a collegiate is on display, acknowledging our amazing athletic programs and athletes/coaches.

Mr. Jack Sloboda, drafting teacher and crew, along with Mr. Craig Stensrud’s Construction and Carpentry crew have worked hard for us to enjoy these final results.

Thank you for doing this and the way you have presented it! Many staff who are former students look at their team pictures like it was the first time!

Well done! A huge job, but will certainly be a prominent fixture for years to come!

On behalf of the staff and students at Walter Murray, we thank you!
